## **PROFESSIONAL ACHIEVEMENTS (INSURANCE)**

We concluded over 400 insurance contracts in period of 2011-2019, which is 2 times higher than the planned volume in this period;

We reached the status of flawless broker, who was able to insure financial risks at a high professional level;

We have impeccable reputation and our own methods of analysis, which were at least 50% developed by me;

We helped companies (consumers of insurance policy) to get loans for billions of dollars by providing them security;

Our team has formed a profitable, almost break-even insurance portfolio (insurance portfolio losses were less than 1% and this is an outstanding result) ;

All major banks trusted us their most valuable borrowers.

## **HOBBY**

Crypto (participation in testnets of interchain bridges, launchpads, decentralized (centralized) exchanges, crypto wallets, marketplaces, reporting defects, participating in IDOs, NFT sales);

Sport (hockey, motorsport, skating);

Photoshop.
